(Compere Notes)

Don Carlos

Giuseppe Verdi

Setting

Sixteenth Century France and Madrid Spain.

Premiere

11th March, 1867

Académie Impériale de Musique, Paris, France.

Plot

Don Carlos is a story of love lost and love unrequited.
Don Carlos and Elisabeth are set to be married
when Filippo, Don Carlos' father, decides to
take her for himself.
Elisabeth cannot refuse the request and for to do so
would mean continuing the horrible war her
country is involved in with Spain.
Don Carlos refuses to give up his love of her.
Filippo realizes this and tries to enlist the help of Rodrigo
in keeping tabs on Carlos and his new wife.
Princess Eboli is also in love with Don Carlos who
has no interest in her.
She plots to turn Don Carlos' indifference to love.
In the background, the Spanish Inquisition is occurring
with all the struggles between Church and State.
